R. C. Lodge, Esq.,

Acombe House,

Manchester, England.

Dear Sir:

I have just received your application together with testimonials. There is at present no vacancy in the University of Toronto nor is there likely to be as far as I can see for some time to come. I should advise you to apply to President Westbrook, Vancouver, B.C. He is choosing men for his new positions, which are to be filled within the next eighteen months, I believe.

I am,

Yours sincerely,

President.
